CHAPTER V
CONCLUSION

The research entitled *The Use of Slang Related to Sex in Eminem's Rap Songs' Lyrics,* discusses the problems of the study about the meaning of slang terms and the purposes of using slang in *Eminem's Rap Songs' Lyrics.* The objectives of study are to describe the meaning of slang terms and the purpose of using them.

The result of this analysis shows that there are 53 items which are included into sexual terms based on Luttermoser's classifications; they are sexual organs (15 items), sexual activity (17 items), gender identity sexuality (10 items), and sexual perversion (11 items).

Furthermore, the researcher categorizes the purposes of using slang based on Eric Partridge's classifications. They are slang used to show a pleasure which consists of 2 items, to express a humor which consists of 3 items, to express in a distinct and individual way which consists of 3 items, and to be picturesque which consists of 2 items. The other classifications are slang used to escape from clichés, or to be brief and concise which consists of 2 items, to show a rejection which consists of 2 items, to soften the tragedy which consists of 2 items, and to show self identity which consists of 6 items. The last classification is slang used to be secret which consists of 2 items.

In conclusion, slang terms which occurred in *Eminem's Rap Songs' Lyrics* have several meanings. Besides, the meaning of slang terms also has various

purposes. However, the speakers of slang should increase their creativity in using slang to communicate to others, since it can enrich the vocabulary in such a language.
