ABSTRAK

Dalam penelitian ini, peneliti membahas tentang deixis khususnya person deixis yang digunakan oleh penyiar radio. Permasalahan yang akan dianalisis meliputi jenis-jenis person deixis dan tujuan dari penggunaan person deixis oleh penyiar radio.

Penelitian ini menggunakan metode deskriptif. Metode ini digunakan untuk mengumpulkan, mengklasifikasi, dan mengolah data. Data dalam penelitian ini adalah person deixis yang digunakan oleh penyiar radio.

Hasil analisis menunjukkan bahwa dari data yang ada terdapat tiga jenis person deixis yang digunakan, yaitu person deixis berdasarkan jenis kelamin, person deixis berdasarkan usia, dan person deixis berdasarkan status sosial. Tujuan penggunaan person deixis oleh penyiar radio bersifat representatif dan deklaratif. Representatif adalah tindak tutur dimana pembicara mencoba untuk menyampaikan pendapatnya tentang beberapa hal yang dianggap benar atau tidak. Hal tersebut dapat berupa pendapat tentang sebuah keadaan, kebenaran, pernyataan yang tegas, simpulan, dan penjabaran. Sedangkan deklaratif digunakan ketika pembicara menyampaikan suatu deklarasi tentang suatu keadaan.

ABSTRACT

In this research, the writer discusses deixis especially person deixis used by broadcasters of the radio stations. The problems that will be analyzed are the kinds of person deixis used by broadcasters of the radio stations and the purposes of the use of person deixis used by broadcasters of the radio stations.

In this thesis, the writer uses descriptive method. It is done by collecting, classifying and analyzing the data. The data of this research are person deixis used by broadcasters of the radio stations.

The result of data analysis reveals three kinds of person deixis. They are person deixis associated with sex, person deixis associated with age, and person deixis based on social status. The purposes of using person deixis by broadcasters of the radio stations are representatives and declaratives. Representatives are speech act that the speaker tries to convey his believe that some proposition is true or not. The proposition can be statement of fact, assertion, conclusion, and description. Meanwhile, declaratives are used when the speaker utters a declaration which brings about a new state of affairs.
