ABSTRACT

This research discusses the translation of taboo terms in Candace Bushnell's *Sex and the City*. In this thesis, the researcher wants to study more about it by analyzing the translation of taboo terms from English into Indonesian due to their meaning and dynamics, and also the degree of fidelity of the translation of taboo terms in Candace Bushnell's novel.

The source of the data used in this research is Candace Bushnell's novel entitled *Sex and the City* and its Indonesian rendering translated by Amelia Listiani. In this novel, the author states many taboo terms that are rarely found in other literary works. Since the focus of this research is the translation of taboo terms, it is a valid source of the data.

The kind of research used is descriptive method. In doing the research, the researcher collects the data after reading the content of the novel. Then, the researcher classifies the data and analyzes them. At last, the researcher makes a conclusion based on the results of the analysis.

The results of the study are 77,1% data keep the original meaning of the English taboo terms in the rendering, and only 22,9% data lose it. Moreover, the researcher finds that there are only 37,1% data maintain the dynamic of the original in the translation, while the other 62,9% data reduce it. Then, based on the analysis on the degree of the fidelity of the translation of taboo term, it results 62,9% data reaching the high level of fidelity, 14,2% data belonging to the mid level of fidelity, and 22,9% data obtaining the low level of fidelity.

ABSTRAK

Penelitian ini membahas tentang penerjemahan istilah-istilah tabu yang terdapat pada novel *Sex and the City* karya Candace Bushnell. Dalam penelitian ini, peneliti ingin lebih mempelajari hal tersebut dengan menganalisis penerjemahan istilah-istilah tabu bahasa Inggris ke bahasa Indonesia berdasarkan makna dan dinamikanya. Selain itu, peneliti juga menganalisis tingkat kesetiaan terjemahan istilah-istilah tabu yang terdapat pada novel yang ditulis Candace Bushnell tersebut.

Sumber data yang digunakan dalam penelitian ini adalah novel karya Candace Bushnell yang berjudul *Sex and the City* dan terjemahan bahasa Indonesiannya yang dialih bahasakan oleh Amelia Listiani. Di dalam novel ini terdapat banyak istilah-istilah tabu yang jarang ditemukan dalam karya sastra lainnya, oleh karena itu novel ini adalah sumber data yang tepat.

Metode penelitian yang digunakan dalam penelitian ini adalah metode deskriptif. Peneliti mengumpulkan data setelah membaca isi novel tersebut. Kemudian, peneliti mengklasifikasikan data dan menganalisisnya. Akhirnya, peneliti menarik kesimpulan berdasarkan hasil analisis.

Hasil dari penelitian ini adalah 77,1% data mengandung makna istilah-istilah tabu bahasa Inggris tersebut, dan hanya 22,9% data yang tidak. Lebih jauh lagi, peneliti menemukan bahwa hanya 37,1% data yang mempertahankan dinamika istilah tabu aslinya, sedangkan 62,9% data lainnya mengurangi dinamikanya. Kemudian berdasarkan analisis peneliti tentang tingkat kesetiaan terjemahan istilah-istilah tabu tersebut, hasilnya adalah 62,9% data meraih kesetiaan yang tinggi, 14,2% data tergolong dalam tingkat kesetiaan menengah, dan 22,9% data termasuk dalam tingkat kesetiaan yang rendah.
