ABSTRAKSI

Bahasa adalah satu sarana atau bisa juga disebut sebagai alat yang tidak dapat dipisahkan dari masyarakat, karena bahasa merupakan alat vital dari komunikasi. Bahasa adalah sarana yang penting dalam suatu jalinan hubungan atau untuk berinteraktif dengan orang lain. Melalui alat yang disebut bahasa, kita dapat saling memberi, bertukar informasi, mengungkapkan keinginan serta harapan kita. Dengan kata lain, bahasa memiliki fungsi dan peranan yang sangat besar serta begitu penting dalam kehidupan manusia di masyarakat.

Judul dari tesis ini adalah "**The Analysis of the Use of Gaul Dialect by the Youngsters in Surabaya**". Ada satu alasan mengapa penulis mengambil judul tersebut, karena penulis ingin mengetahui seberapa jauh masyarakat (khususnya di kota besar) menggunakan dialek gaul. Oleh karenanya, untuk memperjelas bahasan permasalahan yang diambil oleh penulis, maka dalam tesis ini diambil beberapa bahasan yang berkaitan dengan judul, diantaranya dialek, speech community, makna kata, frase, dan kalimat. Tentu saja dalam hal ini, arti atau penjelasan dari para pakar sangat diperlukan untuk memperjelas pemahaman mengenai istilah – istilah yang telah disebutkan yang berkaitan dengan bahasan penggunaan dialek gaul dalam masyarakat, terutama di kota – kota besar.

Dalam tesis ini, penulis memakai satu metode penelitian, yakni metode penelitian descriptive. Metode penelitian descriptive adalah suatu metode yang dipakai untuk memecahkan permasalahan dengan cara mengumpulkan data – data yang penting, benar keberadaannya dan akurat. Selanjutnya penulis harus mengklasifikasikan atau menggolongkan data – data tersebut ke dalam bentuk atau tipe – tipenya, dan menganalisa data – data itu.

Dalam bahasan penelitian dialek gaul dalam masyarakat khususnya di kota – kota besar ini, pertama kali penulis menetapkan tipe – tipe dialek atau bahasa yang digunakan dalam pergaulan masyarakat. Kemudian menggolongkan data – data yang sudah ada ke bentuk structuralnya secara gramatikal. Bentuk – bentuk structural itu dapat digolongkan menjadi words (kata), phrases (frase), word meaning (makna kata), speech community (komunitas masyarakat), dialek serta sentences (kalimat). Selain itu, dalam pembahasan ini peneliti juga menganalisa apakah terjadi perubahan arti atau tidak dalam penggunaan dialek gaul di masyarakat khususnya di kota – kota besar.

Akhirnya penulis berharap tesis ini dapat bermanfaat dan tentu saja berguna bagi pembaca. Diharapkan pula, pembaca bisa mendapatkan dan mengambil pelajaran yang bermanfaat dari pembahasan dan penjelasan yang telah penulis jabarkan dalam tesis ini.
